Citizens Helping Citizens

Citizenship is at the core of our identity, it always has been. Through our Citizens Helping Citizens initiatives, we build partnerships with public, private and community interests to develop neighborhoods, transform lives, and stimulate economic renewal.

We continue to expand our national partnerships with Feeding America, Junior Achievement & Local Initiatives Support Corporation (LISC) to support colleague volunteerism and provide philanthropy both within and beyond our retail banking footprint. Our colleagues have more than doubled volunteer hours over the last five years and we expect to reach 140,000 volunteer hours in 2019.
